

Alternative Education Setting (AES)

- The removal of a student from their current educational placement for more than 10 consecutive school days, or removal for more than 10 cumulative days constituting a pattern of removals, is considered a change of placement
- A Manifestation Determination Review (MDR) will be conducted for disciplinary removals that constitute a change of placement. The MDR must be held within 10 days
- An Alternative Education Setting shall be provided for any student who is expelled for behavior that is not related to his/her disability.
- An Interim Alternative Education Setting shall be provided for misconduct involving a dangerous weapon, a drug offense, or serious bodily injury
