

## **LADE Pumpkin Carving and Design Entries are Due on Wednesday October 28th!**

**Submit a picture of your entry to: [whatsgood@ladecharter.org](mailto:whatsgood@ladecharter.org)**

 **A Big Shout Out to** 

*...Drum Roll Please...*

### **SEPTEMBER STUDENTS OF THE MONTH!**

**Kimberly Valencia : Mrs. Kate**

**Flor Amaya : Mr. Abrams**

**Jessica Gauna : Ms. Vanessa**

**Lesly Rivas : Mr. Sjouke**

**Noehmi Ponce : Ms. Tonya**

**Ruby Miramontes : Mr. Zack**

**Bryan Rodriguez : Mr. Frasch**

**Anna Dukes: Mr. G**

**Juan Mora : Mr. Loyd**

**Cesar Guerra : Ms. Casey**

**Ramiro Quiroz : Ms. Denise**

### **Congratulations!**

**We know that learning during the pandemic poses many different challenges, and you have all been stepping up to them. We are so proud of you for the dedication you have shown, and continue to show, to your education. We are proud of your resilience and your tenacity. We appreciate your unique gifts, perspectives, and ways of being. Keep up the good work, and always remember that it is worth it--that you are creating your own bright futures one day at a time.**

**Sunflowers reach for the sun, they seek the light, they strive. Their stems are strong--they are not easily broken. Just when you think they can't possibly get any taller, they grow another few inches. Sunflowers inspire people; that is why there is a sunflower by each of your names.**

Ariel Grajeda : Mrs. Showalter

Heaven Cordova : Ms. Pam

Javier Loya : Mr. Daniel

**AND, thanks to Ms. Paz, Ms. Vanessa, and talented LADE Art students, they are popping up all over the place! below...**

## **Art Around LADE SUNFLOWER EXPLOSION!**

**It is happening: Ms. Paz and Ms. Vanessa have started the Sunflower Revolution. They recruited LADE Art students--and together, armed with paint brushes, mosaic tiles, and grout...they are taking LADE Campus and Albuquerque by storm. It is stunning!**

**Art is also happening virtually! LADE students are creating some awesome work for their online art classes. Ms. Vanessa was so impressed that she wanted to feature two artists this month. Check out their creations below!**

### **Ms. Vanessa's Feature Artists!**

#### **Jessica Gauna & Angel Cordova**

Jessica Gauna is an amazingly talented freshman who is also in our murals class, and Angel Cordova is, and always has been, an above and beyond kind of student. They had to complete the right side of Surrealist artist Salvador Dalí's face using the tools in google drawing and they killed it!

Jessica Gauna:

Angel Cordova:

### **Monster Math: Extra Credit!**

**The October math challenge is here! Follow the steps below to graph a Jack-O-Lantern:**

1. Click on this link: <https://www.geogebra.org/m/xdj67uch>
2. Click on the three dots in the upper right corner
3. Select "Open with App"
4. Graph your Jack-O-Lantern according to this challenge:
  - Eyes: Equilateral Triangles
  - Nose: Rhombus
  - Mouth: Isosceles Trapezoid

5. When you are finished, click on the three lines in the top right corner
6. Select Export Image: Copy to Clipboard
7. Paste the image into an email to Mr. Abrams or Mr. Sjouke for EXTRA CREDIT!  
Mr. Abrams: [mrabrams@ladecharter.org](mailto:mrabrams@ladecharter.org)  
Mr. Sjouke: [sjoukeblauw@ladecharter.org](mailto:sjoukeblauw@ladecharter.org)

**\*If you run into problems trying to export the image, simply take a picture of it and email the picture!**

## **Scenes from Science!**

Science is happening around LADE! Students are coming in to complete their Science ADCs, and other students are busy creating projects for their classes--there are some cool things under construction. This is why we won STEM School of the Year at the STEMYS! Thank you to the Science department for the amazing opportunities you give our students to build, explore, get funky with STEM projects!

**Science Department Shout Out**

**Eduardo Zarragoza!**

**For completing an entire Acellus Science Course**

### **The Bridge:**

No, we are not building a playground...that is Ramiro testing out the Leonardo Da Vinci bridge that he, Ruby, and Jesus made across two of the lunch tables in the yard!

**Catapult-In-Action:**

Click on the link below to see Kim Valencia and Cynthia Quintana's STEM Challenge catapult project in progress!

**The Link: [Rock the Catapult Ladies! \(In Slow Mo\)](#)**

**STAY MOTIVATED!**

**Keep showing up. Keep learning. Keep creating. Keep growing.**

**You are building your future.**

**Stay Motivated.**

**Thrive.**
